

Disbursement for Books and Supplies

(Federal Provision 34 CFR 668.164(i))

For students who are eligible to receive a Federal Pell Grant (as indicated on their Financial Aid Award) need to be given a way to purchase books and supplies at least 10 days prior and by 7 days after class starts. Here at OIAH we give all students their books and supplies a week before school starts. That way everyone will have everything they need to get the most out of their education.
