Refund Policy

OIAH has a fair and equitable refund policy for the refund of tuition, fees and other Institutional charges, in the event the Institution cancels a class or if a student does not enter or does not complete a period of enrollment for which the student has been charged. The Institution's refund policy is published in both the catalog and on the enrollment agreements and is uniformly administered. The policy is as follows:

Refunds, when due, must be made without requiring a request from the student.

If a student has a credit balance from Title IV funds received, a refund will be made to the student within 14 days.

An enrollment agreement or application may be cancelled within five (5) calendar days after the date of signing provided the school is notified of the cancellation in writing. The school shall promptly refund in full all tuition and fees paid pursuant to the enrollment agreement. Such refund shall be made no later than thirty (30) days after cancellation.

The state refund policy or a straight pro rata refund policy at the discretion of the school must be uniformly applied to all students, unless the use of federal or state financial aid funds mandates the use of the refund policy prescribed by another governmental entity.

Retention of tuition and fees collected in advance for a student who does not commence class shall not exceed \$100.00.

Refunds shall be made within thirty (30) days after the school has determined that a student has withdrawn unless another refund period is mandated by the use of state or federal financial aid funds.

Refunds for Students Enrolled Prior to Visiting the Institution: Students who have not visited the school facility prior to enrollment will have the opportunity to withdraw without penalty within three days following either attendance at a regularly scheduled orientation or following a tour of the facilities and inspection of the equipment.
