

Holistic Health Practitioner™ (HHP) Diploma

The Holistic Health Practitioner™ Diploma program is a comprehensive course of study preparing graduates for professional careers using holistic modalities including:

- Reflexology
- Hypnotherapy
- Neuro Linguistic Programming
- Specialized Kinesiology
- Aromatherapy
- Herbology
- Holistic Nutrition
- And more!

Business skills and scope of practice are part of the curriculum, as well as conventional anatomy and physiology, pathology and the holistic view.

At OIAH, our HHP program is grounded in the recognition and understanding of the power of intention, the unconscious mind, and the understanding of energetic principles. The successful OIAH graduate is well prepared to assist others in life changes, empowerment and well-being.

This program of study is designed for individuals wishing to incorporate the techniques from a variety of holistic health modalities. Individuals enrolling in this program may currently be holistic professionals with a desire to add a more complete dimension to their current skill level. Individuals who are currently health care professionals may take this program to add a full holistic component to the healthcare they currently offer.
