## Holistic Life Coach (HLC)<sup>™</sup> Diploma

The Holistic Life Coach<sup>™</sup> Diploma program prepares graduates for professional careers using holistic modalities including, hypnotherapy, neuro linguistic programming, aromatherapy, herbology, holistic nutrition, and more! Business skills and scope of practice are part of the curriculum, as well as conventional anatomy and physiology, pathology and the holistic view.

As with the HHP program, the HLC program is grounded in the understanding of the power of intention, the unconscious mind, and the understanding of energetic principles. The successful graduate is well prepared to assist others in life change, empowerment, and well-being.

This program of study is designed for individuals wishing to begin a profession as a holistic life coach. Individuals may currently be involved in a medical, holistic or mental health care career and wish to incorporate this aspect into their current profession. This program may also serve as a means for holistic health professionals to move up to the next level of education in their industry.
