GENERAL ADMISSION POLICIES FOR ENROLLMENT - OHIO INSTITUTE OF ALLIED HEALTH

The programs offered are designed to prepare an individual for employment in their field of study. Prospective students are invited to visit the school to discuss their needs, goals and objectives with an Admissions Representative.

Non-Discrimination – OIAH is open to all students without regard to race, color, religion, age, sex, creed, origin, sexual orientation, disability or marital status.

To be eligible for admission, an applicant must be able to read and write English, and the student must meet the following requirements:

1. Prospective students must submit a completed application to attend OIAH along with a \$100 application fee. The application can be obtained either through the website www.oiah.org or by visiting the school and obtaining it through the Admissions office.
2. All programs require that the student be a high school graduate and as such, prospective students must supply the Admissions office with an official high school transcript or official GED certificate. (Note: The high school diploma or transcript requirement can also be from a foreign school if it is equivalent to a US high school diploma; Documentation of proof of completion of secondary education from a foreign country must be officially translated into English and officially certified as the equivalent of high school completion in the United States.)
3. OIAH will accept applicants who have a recognized equivalent of High School Diploma such as a home-schooled certificate by the state where the student resided during home school. The student must have completed homeschooling at the secondary level as defined by state law. Due to the passage of Consolidated Appropriations Act of 2012, students who do not have a high school diploma or equivalent and did not complete secondary school in a home-school setting can no longer gain eligibility for Title IV, HEA funds by passing an “ability-to-benefit” test.
4. Initial Registration – All applicants must have an initial interview with an Admissions Representative. All applicants must provide a valid driver’s license, state ID with photo, or valid passport and a verifiable Social Security Number. All applicants must be able to speak, read, and write fluently in English (all classes are taught in English) and provide documentation of eligibility to work in the United States.
5. Accepted applicants must pay the required registration fee and register for class within 30 days after enrollment date. Failure to do so will result in cancellation of accepted application and requires reapplication process and fee.
6. Acceptance into OIAH Programs – The Admissions Committee reserves the unconditional right to grant or deny admissions.
7. OIAH does not at this time have any programs which accept Ability-to-Benefit students and does not offer a Comprehensive Transition Postsecondary Program.
8. Disabled Applicants – Due to the nature of the vocational training programs, disabled students (mental and physical) must be evaluated for their ability to benefit from the training. Disabled students who are deemed to be unable to benefit from the training will be encouraged to seek other career paths.

OIAH complies with the Americans with Disabilities Act of 1990 and is wheelchair accessible. The facility is equipped with ramp access from the parking lot, extra wide hallways and doors, A.D.A. required door handles and a restroom to accommodate disabled students.

If you are interested in attending the School but are in need of reasonable accommodations, you should schedule an appointment with the Director. At this meeting, we will discuss the nature of the reported disability and its impact on learning. We will also discuss the process of receiving reasonable accommodations at OIAH, and the types of accommodations available.

Please bring copies of current documentation of a disability to this meeting. Documentation must be provided by a medical expert within the last three years and include:

- a diagnosis of the disability;
- how the diagnosis was determined (what tests were given and the results); and
- A clinical summary, which includes an assessment of how the disability will impact the individual in a college environment and what accommodations are recommended.

Ohio Institute of Allied Health

School of Integrative Healthcare

Upon completion of the initial meeting, a formal request for the accommodation must be submitted in writing to the school. The initial meeting, formal request, and response from the school must take place prior to the pre-enrollment process.

Note: In order to be eligible for Title IV, HEA funding, you must be able to benefit with the reasonable accommodations.

Financial Arrangements:

*Students may not be accepted for enrollment if they cannot prove credit worthiness. Please see "Method and Terms of Payment".

The student must make financial arrangements with the Financial Aid Office in regards to FAFSA application, Scholarships and/or Cash payment plan prior to enrolling.

Prior to admission the prospective student is given an enrollment agreement form, an interview with a school official and is given a pre-enrollment questionnaire packet, which they are required to read, understand and sign. The interview will elaborate on course description, the career opportunities and the physical demands of the job, OIAH requirements and the requirements of the governing body for the program in which the student is enrolling.

An explanation on attendance and academic requirement will be given to the prospective student and how those requirements can affect the student's satisfactory performance requirements. The prospective student will be informed that attendance hours may be withheld for non-payment of tuition.

A staff member or instructor will give the prospective student a tour of the school facilities. Any questions from the prospective student will be answered truthfully, promptly and in sufficient detail to eliminate confusion.

Transfer Students

The Ohio Institute of Allied Health accepts transfer credit for any programs only at the discretion of the Program Coordinator with the approval of the School Director. A student may be permitted to "Test Out" of a course previously taken but not eligible for transfer only at the discretion of the Program Coordinator with the approval of the School Director. Transfer credit policies include the following requirements:

1. All credit must be earned at an accredited college or university (community and junior colleges are included).
2. College general education requirements may be fulfilled by transfer credit.
3. Liberal arts core requirements may be fulfilled by transfer credit.
4. Credit will be granted only for a grade of "B" or better.
5. Approval of all courses are based on an official transcript and if necessary course syllabi, outlines, and descriptions, provided by the student.
6. No more than 20% of the previous educational hours will be considered for transfer. The student must complete at least 80% of quarter hours at OIAH to fulfill graduation requirements.
7. Online courses which are considered as regular courses in a degree program at a regionally accredited institution are acceptable at OIAH. Regular courses are those which are numbered according to the institution's official numbering system for courses which satisfy degree requirements.
8. Credit from a foreign institution of higher education will be evaluated on a case by case basis.
9. Credit earned through military or non-traditional programs that have been evaluated by the American Council on Education and declared to be the equivalent of lower or upper division credit, will be transferred according to the A.C.E. recommendations. However, because only satisfactory grades are awarded, the credit will not affect the grade point average.
10. Quarter hours will be multiplied by 2/3 to determine the equivalent number of semester hour credits.
11. Transfer courses accepted will be included in the cumulative credits earned but neither grades nor grade points earned at other institutions will be used in the computation of the OIAH grade point average.
12. Dual credit earned while in high school will be accepted for credit at OIAH.
13. No courses over 5 years old will be accepted for credit at OIAH.

Veterans Benefits/Other Funding Sources

Selected programs of study at OIAH are approved by the Veterans Affairs for enrollment of those eligible to receive benefits under Section 3676, Chapters 30 or 32, Title 38. The determination for VA funds is made directly through the department of Veteran's Affairs. Additional funding may be obtained for eligible candidates through many different programs including; Arkansas Department of Workforce Services, Central Arkansas Planning and Development and Arkansas Rehabilitative Services (ARS). The determinations for these funds are made through the respective organizations.

Incarcerated Applicants

A student is considered to be incarcerated if she/he is serving a criminal sentence in a federal, state, or local penitentiary, prison, jail, reformatory, work farm, or similar correctional institution (whether it is operated by the government or a contractor). A student is not considered to be incarcerated if she/he is in a halfway house or home detention or is sentenced to serve only weekends. Our attendance policy specifies that all classed and practical studies are done at the school's physical location; therefore, incarcerated students are not eligible for admissions.

Conviction for possession or sale of illegal drugs

- A Federal or state drug conviction can disqualify a student for FSA funds. The student self-certifies in applying for aid that he/she is eligible for by using the FAFSA. The School is not required to confirm this unless there is evidence of conflicting information.
- The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for the sale of drugs includes conviction for conspiring to sell drugs)

	Possession of illegal drugs	Sale of illegal drug
1st Offense	1 year from date of conviction	2 year from date of conviction
2nd Offense	2 year from date of conviction	Indefinite period
3+ Offense	Indefinite period	

- If a student was convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different the student will be ineligible for the longer period
- A student regains eligibility the day after the period of ineligible ends or when he/she successfully completes a qualified drug rehabilitation program. Further drug conviction will make him/her ineligible again.
- When a student regains eligibility during the award year, the institute may award Pell and/or Loan for the current payment period.
- A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:
 - Be qualified to receive funds directly or indirectly from a federal, state or local government program.
 - Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company.

Ohio Institute of Allied Health

School of Integrative Healthcare

- Be administered or recognized by federal, state or local government agency or court.
- Be administered or recognized by a federally or state-licensed hospital, health clinic or medical doctor.

Upon receipt of all required documents and in good order, the prospective student is eligible to enroll in the school. When all admissions criteria and requirements are met, the prospective student is given the date of the next class. The prospective student is asked to bring their Student Permit Fee, if applicable, a color photo of themselves and is informed of the appropriate dress code. The first day of class will include financial aid and academic orientation, in which the students will sign their enrollment contract, student permit form and additional required paperwork.

Federal Financial Aid

To be considered for Federal Financial Aid, a student must complete the Free Application for Federal Aid on line. The student and the parent (in the case of a dependent student) may sign the FAFSA on line by using a PIN number. Once the student completes the FAFSA, and it is processed by the government, the school will receive an ISIR which will contain the Estimated Family Contribution and let the student know if he/she is selected for verification.

Verification

Each year at least 30% of financial aid recipients are randomly selected for verification by the U.S. Department of Education. If a student is selected for federal verification, they will be asked to complete a Verification Worksheet (provided by the Office of Financial Aid) and must provide additional information before financial aid can be disbursed to the student account. This documentation may include but is not limited to federal income tax transcript and W-2 forms (student's, spouse and/or parents/guardians), proof of untaxed income, housing allowances, etc.

Students will be notified in writing of all documents required to fulfill this federal requirement. If after review by the Office of Financial Aid, there are any changes to the Estimated Family Contribution and possibly the financial aid available, the student will be notified by email or in writing.
