## Celebrate the Birthday of Our United States of America Government

On September 17, 1787, the delegates to the Constitutional Convention met for the last time to sign the document they had created. We encourage all Americans to observe this important day in our nation's history by attending local events in your area. Celebrate Constitution Day through activities, learning, parades and demonstrations of our Love for the United State of America and the Blessings of Freedom Our Founding Fathers secured for us.
